

SUMMARY OF KG FOR THE MONTH OF OCTOBER

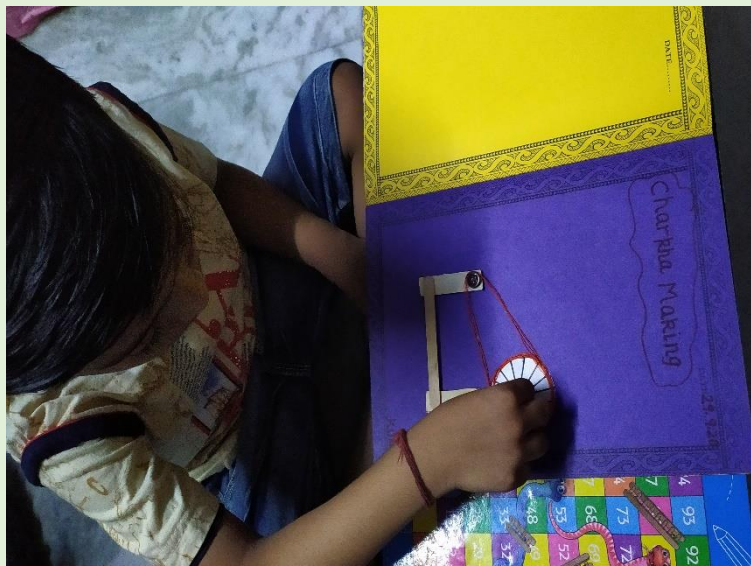

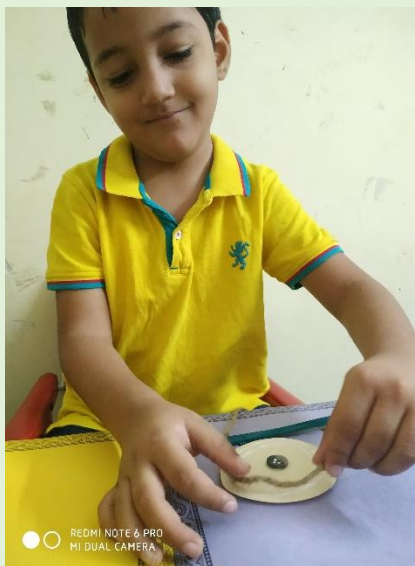

**“Shift from scolding the child to moulding the child,
And that’s done through deepening your relationship
At home and having a healthy communication.”**

SNAPSHOT

Of the month

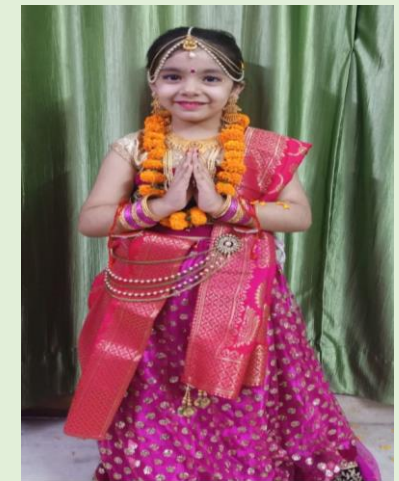

GANDHI JAYANTI

Talk session was taken on the occasion of Gandhi Jayanti. They were shown the pictures of “Bapu -The Father of our Nation” on the currency note. Things like- Satyagraha, Samadhi, Sabarmati ashram, names of three wise monkeys and the message conveyed by them were told by the teacher. Children also enjoyed art & craft activity of making charkha in their scrap file. All these activities helped the kids to register important things about life of Gandhi ji.

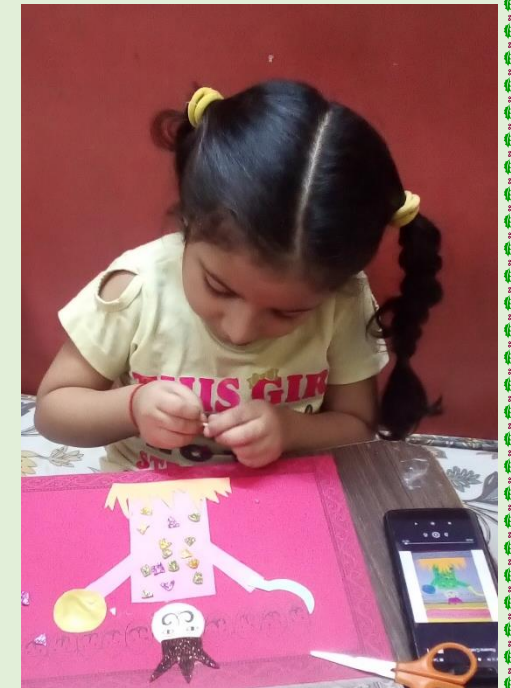

DUSSEHRA

: This festival depicts the significance of “Good over Evil”. Episodes of the epic were performed by children of class KG in the form of a ballet. Parents were shown their performance which was appreciated a lot by them. Teacher told about three effigies which are burnt on the day, that too the order in which they are burnt like first Kumbhkaran(brother), Meghnadh (son) and in the last the demon Ravana. Related PPTs were also shown and free hand drawings, clay play activities were conducted. Children also enjoyed the art and craft activity of making Ravana in the scrap file. Teacher also briefed about the Durga Puja that demarks the end of Demon Mahishasura by Goddess Durga who is prayed over nine days on Navratri in nine forms and then its idol is immersed in the river after prayers on Dussehra.

CRAFT ACTIVITY
Making of Ravana

UN (United Nations) DAY

— It is celebrated on 24th October every year. Children were told about the day and they were dressed up in costume of different countries.

Clay Moulding Activity

— It helps in developing Fine motor skills, eye hand coordination and also develops creativity.

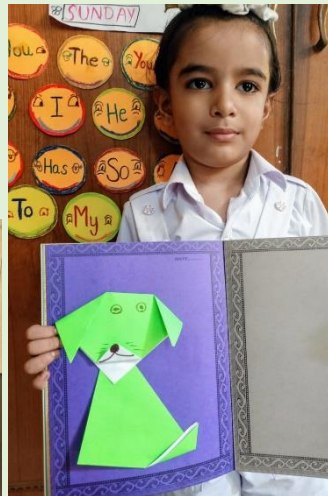

Children were asked to make a tree through clay moulding.

Origami Craft (Dog)

— In EVS, pet animals topic was introduced and an associated activity was taken up in which children did an origami of dog.
