## HOLIDAY HOMEWORK

### CLASS I

### THEME: LIFE ON EARTH

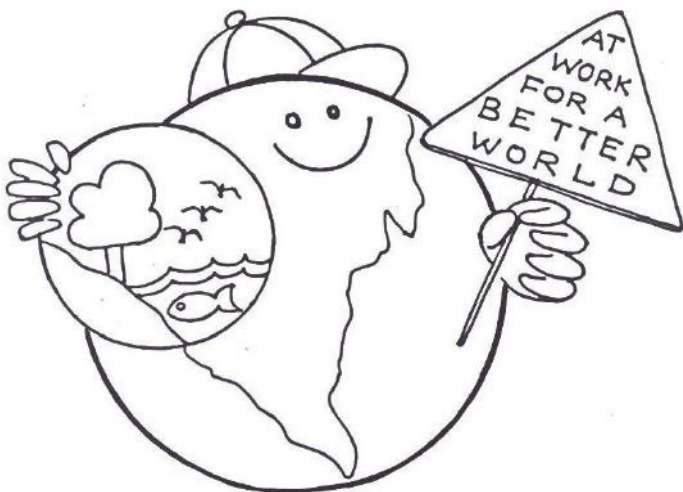

***This is our world..... This is our home .....  
This is the place where we belong.....***

Our world is an amazing place! It is the only planet we know about where people, animals and plants can live. We can live here because we have water, sunlight, and can grow food and breathe the air.

To appreciate, enjoy and develop respect for different life forms on earth, this year we have chosen **UN GOAL 14 Life under Water** and **UN GOAL 15 Life on Land** as the theme for the holiday home work for classes I & II. These are two of the 17 goals of United Nations for Sustainable Development. This project will help you explore and discover different types of plants and animals and their habitat through fun filled and creative activities.

It will be great if you visit the zoo with your parents, go for a nature walk, watch Animal Planet and National Geographic channel, visit UN sustainable goal website and browse animal encyclopedia, read animal stories to enhance your learning. Hope you enjoy exploring the "Life on Earth" with the guidance and support of your parents.

## GENERAL INSTRUCTIONS

- Follow the instructions given carefully with each worksheet.
- Activity 1 is compulsory for all and Activity 2 is defined Roll No. wise.
- You may take help of internet, newspaper, magazines, Encyclopedia, Picture Atlas and pictorial chart book to collect information and pictures.
- Submit your MY EARTH FOLDER on 1<sup>st</sup> July 2016.
- Submit your project related to art and craft on 4<sup>th</sup> July 2016.
- Prepare yourself for the presentation in which you are expected to speak a few lines on your favourite Craft Activity of Earth Folder or Earth Craft on 7<sup>th</sup> July 2016.
- Macmillan Graded Handwriting Book - Complete till page 44 and submit it on 11<sup>th</sup> July.
- Try to use recyclable or waste material available for craft activities.

## ACTIVITY 1 - MY EARTH FOLDER

a) Complete and paste **Worksheet No. 1, 3, 4, 5, 6, 7,8 and 9** on a thick A-4 Coloured pastel sheet. These worksheets are already attached with the Holiday Homework.

b) **Worksheet No. 2 - NATURE'S TREASURE CHEST** should be created on a separate A-4 pastel sheet and attached after worksheet no.1 NATURE WALK

### INSTRUCTIONS FOR WORKSHEET 2- NATURE'S TREASURE CHEST

1. Collect any 4-5 things you have seen during your Nature Walk (eg. Flowers, leaves, grass, stones, pebbles).
2. Draw a treasure chest. Paste the collected items in the treasure chest and use your own creativity to decorate it. Try not to pluck the leaves, flowers etc. instead pick the things lying on the ground.
3. Give it a caption **My Nature's Treasure Chest**.

c) **Worksheet No. 8 - ' धरती सवाँरो जीवन बचाओ '**

The worksheet is provided with the holiday homework

### INSTRUCTIONS FOR WORKSHEET 8

दिए गए प्राकृतिक दृश्य को ध्यान से देखिए और धरती में दिए गए शब्द समूह में से सही नाम छाँटकर सही स्थान पर लिखिए तथा प्राकृतिक दृश्य में सुंदरता से रंग भरिए। दृश्य में से ऐसी दो चीजों पर गलत का निशान लगाइए जो प्रकृति के लिए हानिकारक हैं।

**d) WORKSHEET No.9 - 'FRIENDS OF EARTH'**  
**INSTRUCTIONS FOR WORKSHEET 9**

There are so many things 'Friends of Earth' do to save land, air, water, plants and animals. Become a friend of the Earth and do one green act ( for example save water , plant a tree , use dustbin, carpool , use public transport, save energy, feed birds and animals) which will help us all change this world in a big great way.

Choose any one green activity .Get your photograph clicked while performing the activity. Paste it on a coloured A4 size sheet. Give it a title "I SUPPORT LIFE ON EARTH".

e) Support your worksheets with coloured pictures wherever necessary. Use coloured pens or glitter pens for writing. Decorate each worksheet creatively, presenting your information in the best possible way.

f) Get the folder spiral bound or in any other creative way of your choice.

g) Design a *COVER PAGE* for your Earth folder and give it the title - 'MY EARTH FOLDER'

**Activity 2 - EARTH CRAFT**

**A) MY EARTH MODEL      ➡      Roll No. 1 to 12**

- Take a soft ball of medium size.
- Cover it with blue and green paper, using tear and paste technique.
- Cut 5 circles from any one light coloured pastel sheet.
- Draw, colour and name any 5 living things found on the earth on these circles.
- Using double sided tape, put these circles on your Earth Model.
- Make a hanging / stand to present your Earth Model.
- Refer Website - [www.education.com](http://www.education.com) / [www.teachpreschool.com](http://www.teachpreschool.com)

## B) PAPER PLATE EARTHMAN ➡ Roll No. 13 to 24

- Take a paper plate (medium size).
- Colour it blue and green by using thumb printing.
- Paste googly eyes and make a smiley/mouth.
- Make two hands and two legs on another pastel sheet, cut it and paste it on your paper plate earth, to make the Earth Man.
- Make a flag, paste on its hand with a slogan. **"I support life on Land / I support life on Water"**.
- Refer Website - [www.planetpals.com](http://www.planetpals.com)

## C) OCEAN IN A BOTTLE ➡ Roll No. 25 to 36

- Take any used household transparent plastic jar or bottle (1 litre). Remove label from the bottle. Wash & clean it properly.
- Fill the bottle half with tap water.
- Add 3 to 4 drops of blue food colour & swirl gently to mix.
- Using funnel, add glitter & sand (preferably grey/white in colour).
- Add coloured stones & shells, small plastic fish.
- Add vegetable oil (refined) until almost full. Leave small space for air at the top.
- Put glue around the rim of the bottle & seal the cap.
- Once glue is dry, turn the bottle on the side. Rock it back & forth to make your own ocean wave.
- Search in Google with the keyword 'Ocean in a Bottle' Activity.

## D) TWIG ART ➡ Roll No. 37 to 47

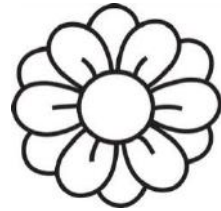

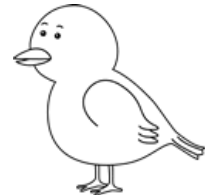

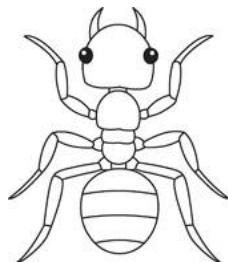

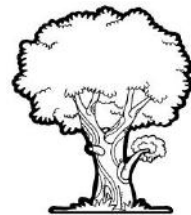

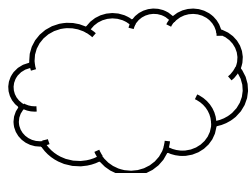

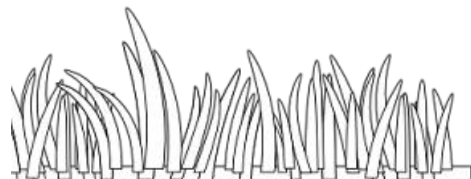

- Create your own master piece with the help of twigs collected from your surrounding (tree/house/photo frame) during your nature walk.
- Use colours, woollen thread, glitters and other decorative materials to beautify your creation.
- Refer Website- [www.homedit.com](http://www.homedit.com). Search in Google with the keyword 'Twig Art for kids' for better results.

## WORKSHEET NO. 1 - MY NATURE WALK

Take a walk in a natural setting such as a park or a garden. LOOK AROUND, LOOK DEEP, LOOK BEYOND. Become a nature activist and record your observations by ticking in the right boxes.

spider twig leaf flower butterfly mushroom worm bird squirrel ant seedling tree bee cloud grass

WORKSHEET NO. 3FUN WITH SUMS UNDER THE WAVES

Let us dive into the sea and find the sum of given numbers in it. Colour the picture according to the colour key given below.

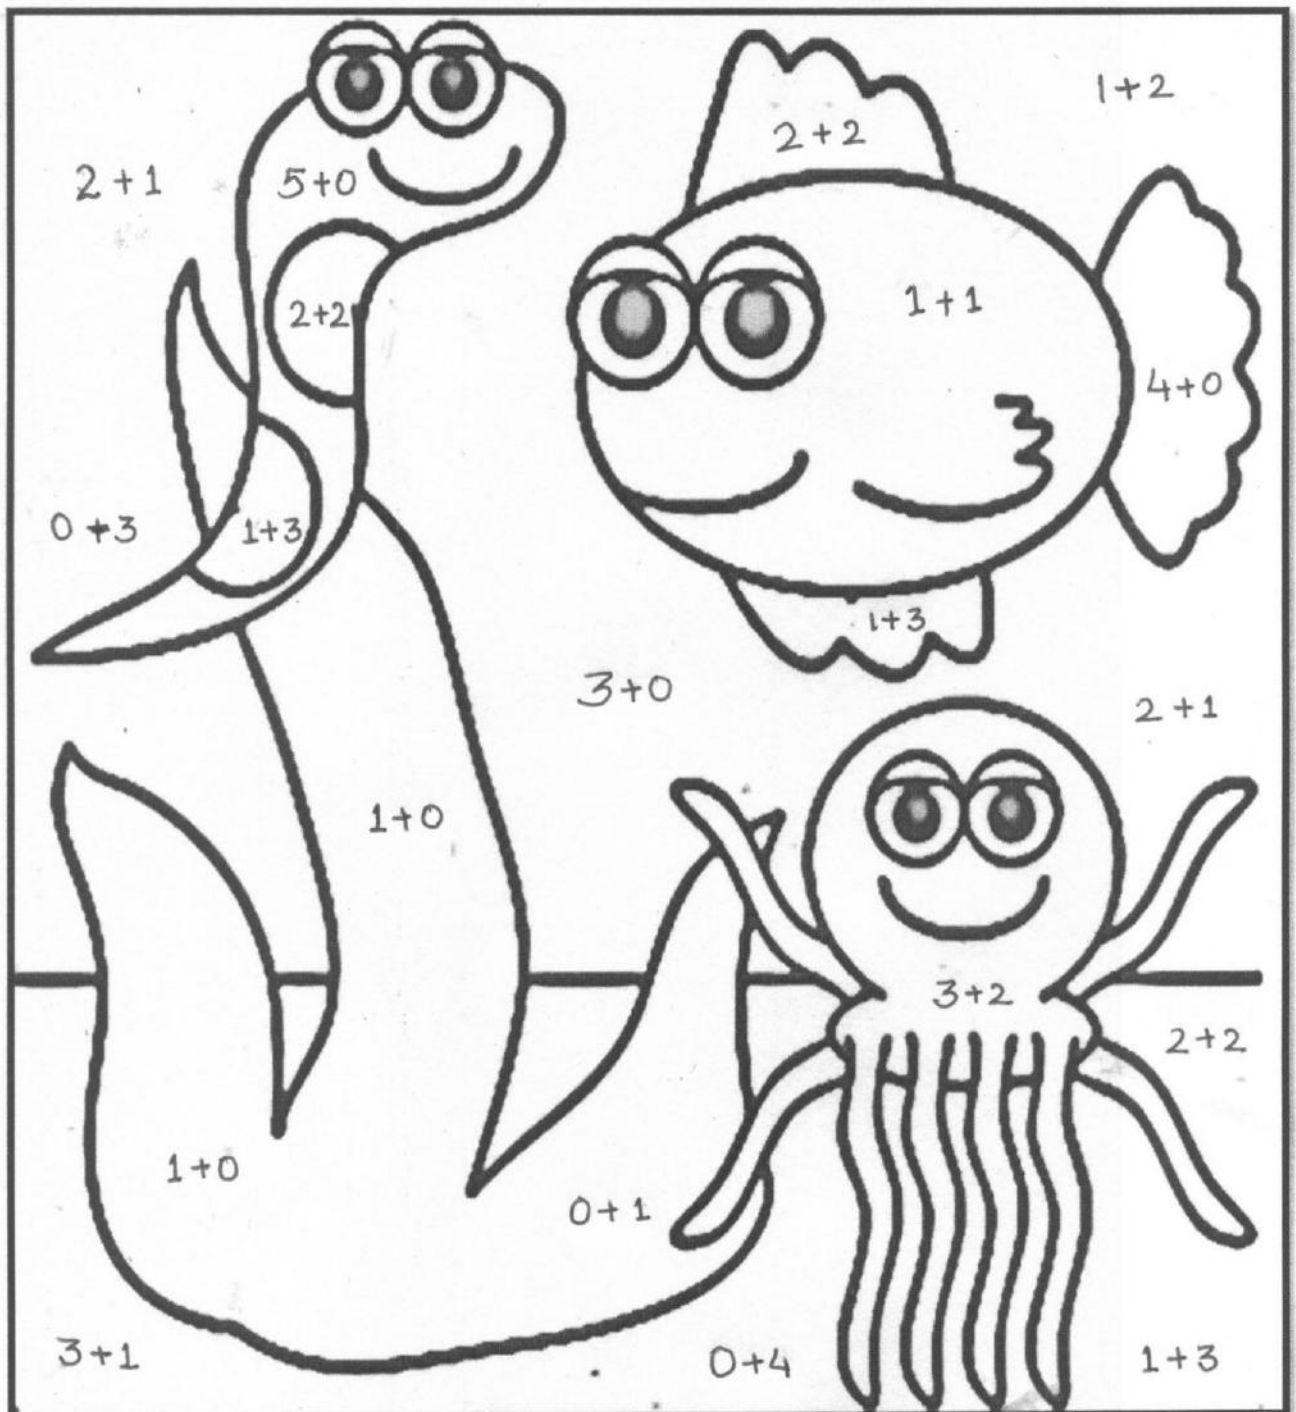

1 - Green

2 - Red

3 - Blue

4 - Yellow

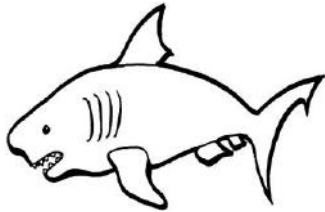

5 - Orange

**WORKSHEET NO.4**  
**VOWEL HUNT WITH SEA ANIMALS**

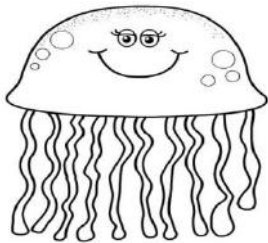

After playing numbers under the water, it is time to spell out the various sea creatures by filling in the vowels and colour the sea animals appropriately.

# WORKSHEET NO.5 - ANIMAL DETECTIVE

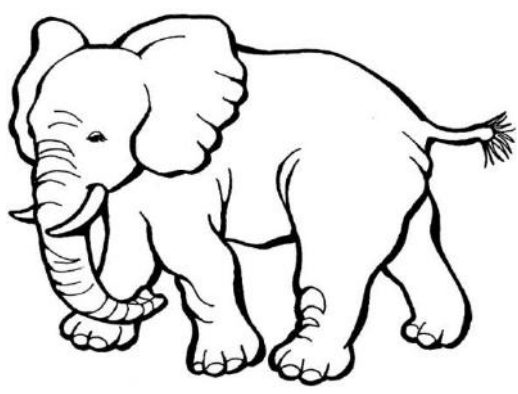

Be an animal detective and explore the jungle to find out the correct land animals. Label them correctly and colour them.

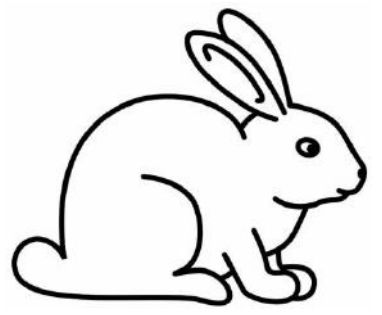

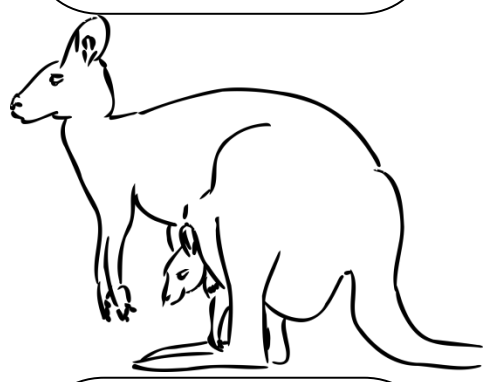

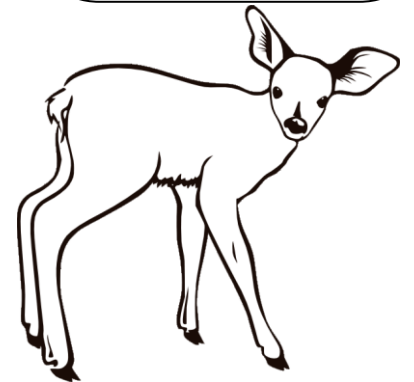

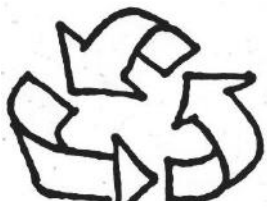

- |          |       |          |           |
|----------|-------|----------|-----------|
| mouse    | deer  | elephant | zebra     |
| kangaroo | camel | rabbit   | lion      |
|          |       |          | porcupine |

## WORKSHEET NO. 6 - GREEN EARTH SUDOKU

Be an Earthzine and solve the Green Earth Sudoku by balancing the elements of the environment.

Draw and colour the symbols in such a way that each row, each column and each of the large four squares should have one of each symbol.

row →

column ↓

## WORKSHEET NO. 7 - SAVING THE TINY SEED

Trees are important for our life. Help save this tiny seed grow into a big tree by solving this worksheet. Carefully see the pictures and colour them appropriately. Cut and paste the pictures in the correct sections. Rewrite the slogan "**From a small seed, a mighty tree may grow**" in the space given below with coloured pens.

These things can help the tiny seed.					These things can hurt the tiny seed.
